I. PROFESSIONAL SUMMARY

A Recent BS Information Technology graduate with a background in web development and mobile app interface design. I have used HTML, CSS, C, C++, and Python. I am applying for a Digital Editor role where I can prepare and organize content for the web and pay attention to layout and readability, while I keep learning.

II. SKILLS

- Web: HTML, CSS
- Programming: C, C++, Python (basic)
- Mobile: Flutter basics and widgets
- Content and Documents: Preparing and editing documents and presentations, organizing information
- Other: Communication, teamwork, time management, willing to learn

III. EDUCATIONAL BACKGROUND

- Tertiary — Northeastern College
  Bachelor of Science in Information Technology
  Graduated | 2028

- Secondary — Luis-Fe Gomez Diamantina National High School
  GAS Strand
  Graduated | 2023

- Primary — Salvador Gomez Diamantina Elementary School
  Graduated | 2018

IV. EXPERIENCE

Web-Based Information System Project | Academic Project	Helped plan and build a school project about records management, with user access and different system features. Learn How to figure out what a system needs and how to organize its information.
Flutter Mobile Application Activities | Academic project	Practiced laying out app screens in Flutter using widgets and layouts, paying attention to spacing and how easy the screen is to read and use.

V. QUALIFICATIONS

- Open to feedback and willing to learn
- Responsible with the tasks given to me
- Can work on my own or with a team
- Interested in web development and UI design
